**Subject:** Support for Resolution 22

Dear Reps,

As a citizen of the great state of Michigan, and a spiritual leader I am writing in full support for your efforts regarding Resolution 22. I have been actively engaged in pursuing better health care for the uninsured and underinsured. I currently serve as the president of the Interfaith Health and Hope Coalition and our mission is to make the community aware of the crisis of any American not having equal access to and coverage for comprehensive health care. I do not view this as a privilege but as a right, and I am shamed by the fact that in America every person does not have this human right. I am thankful for your efforts to taking the necessary steps to ensure that all Michigan residents will all have comprehensive coverage.

Sincerely,

Rev. Dr. John E. Duckworth
